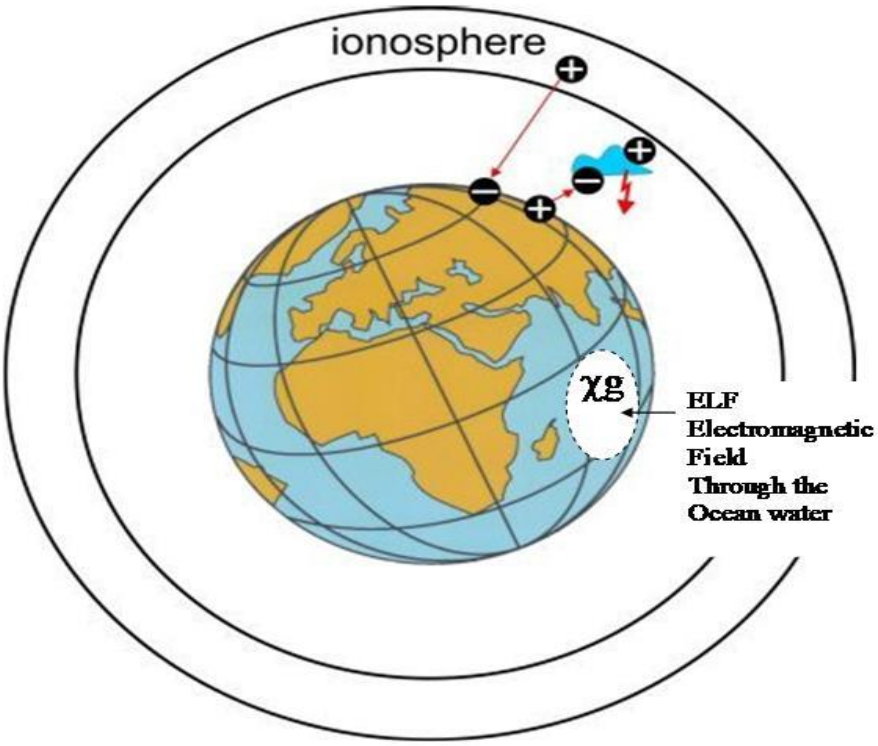
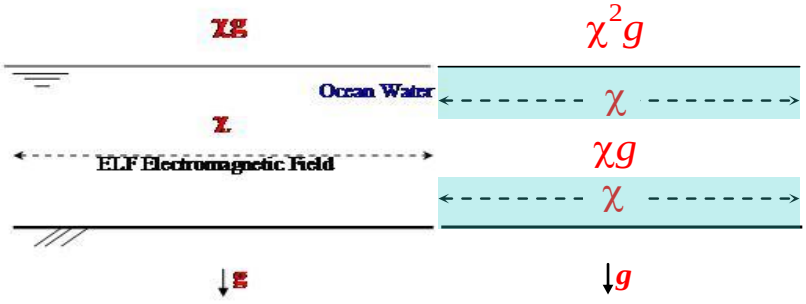
# Explanation for the Gravitational Anomalies observed at the World's Oceans

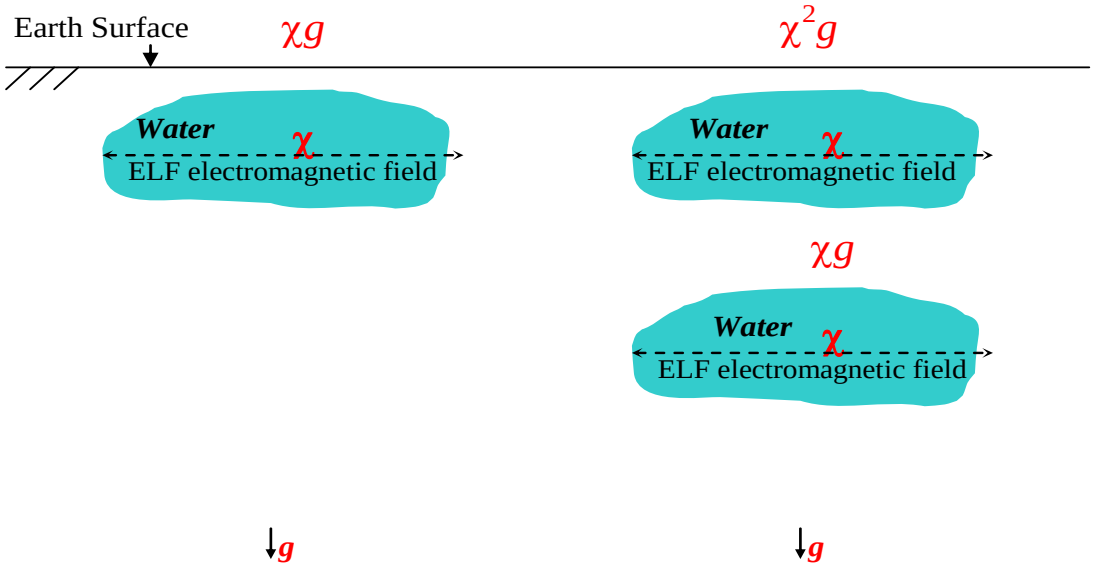




***First Case***
**Decresing of the Gravity**
**$0 < \chi < 1$**

***Second Case***
**Incresing of the Gravity**
**$\chi^2 > 1$**

# Explanation for the Gravitational Anomalies observed at the Earth Surface



***First Case***
**Decresing of the Gravity**
**$0 < \chi < 1$**

***Second Case***
**Incresing of the Gravity**
**$\chi^2 > 1$**
